“Vaughan’s brawny barbarian romance recreates the delicious feeling of adventure and the thrill of exploring mysterious cultures created by Robert E. Howard in his Conan books and makes for a satisfying escapist read with its enjoyable romance between a plucky, near-naked heroine and a truly heroic hero.”—Booklist The daughter of a Warrior King, Lara was trained as a healer. With her father dead and her incompetent half-brother on the throne, the kingdom is in danger of falling to warring Firelanders. Unable to depose her sibling or negotiate peace, Lara serves her people by healing the warriors—on both sides of the conflict—who are injured in battle. Lara finds herself educated in her enemy’s language and customs in return for her attention and compassion. She never expects that her deeds, done in good faith, would lead to the handsome and mysterious Firelander Warlord demanding her in exchange for a cease-fire. To save her land and her people, Lara trades her freedom to become the Warprize.

Afrikan life into the coming millennia is imperiled by White and Asian power. True power must nest in the ownership of the real estate wherever Afrikan people dwell. Economic destiny determines biological destiny. 'Blueprint for Black Power' details a master plan for the power revolution necessary for Black survival in the 21st century. White treatment of Afrikan Americans, despite a myriad of theories explaining White behavior, ultimately rests on the fact that they can. They possess the power to do so. Such a power differential must be neutralized if Blacks are to prosper in the 21st century ... Aptly titled, 'Blueprint for Black Power' stops not at critique but prescribes radical, practical theories, frameworks and approaches for true power. It gives a biting look into Black potentiality. Few New Testament characters are as fascinating as Simon Barjona, the man called Peter—a reluctant disciple who changed the face of Christianity. For more than twenty-five years, author and pastor Larry Huntsperger has spent hundreds of hours studying New Testament documents in preparation for writing this fictional first-person account of the life of this enigmatic disciple. The result is a novel that faithfully follows Scripture while offering a powerful, fresh narration of the story of one of Christianity's greatest men. In the fast-paced chapters of The Fisherman, readers will relive Peter's initial resistance to the pull he feels toward Jesus and his ministry. They'll walk with Peter alongside Jesus through the events of the Gospels and catch intimate glimpses of the disciples' personalities. They'll even "feel" the dust on the roads as familiar stories are transformed into original, spellbinding accounts from Peter's life. This fascinating novel will help readers "to see the Master as a man. For, if we cannot see him correctly as man, we have no hope of understanding him correctly as our God."
