In How to Super Tune and Modify Holley Carburetors, best selling author Vizard explains the science, the function, and most importantly, the tuning expertise required to get your Holley carburetor to perform its best for your performance application.

Camper trailers offer the freedom and pleasures of camping without the discomfort. A well-made one can be towed almost anywhere its towing vehicle can traverse. The Camper Trailer Book details all aspects of camper trailers and their use. As with all Collyn Rivers's books it describes approaches that will work, not just that

For people looking to use solar power as the main source of power in motor homes, fifth wheelers, caravans or cabins this handy book demonstrates how to set up a successful solar power system to power fridges, TVs, lights, and more.

Exhaustively researched and updated, South Asia 2019 is an in-depth library of information on the countries and territories of this vast world region. General Survey Essays by specialists examine issues of regional importance. Country Surveys Individual chapters on each country, containing: - essays on the geography, recent history and economy of each nation - up-to-date statistical surveys of economic and social indicators - a comprehensive directory providing contact details and other useful information for the most significant political and commercial institutions. In addition, there are separate sections covering each of the states and territories of India. Regional Information - detailed coverage of international organizations and
