Celtic Fortifications

A hillfort is a type of earthworks used as a fortified refuge or defended settlement, located to exploit a rise in elevation for defensive advantage.

They are typically European and of the Bronze and Iron Ages. Some were used in the post-Roman period. The

Hillforts: Ancient
Fortresses in Iron Age
Europe

At this time, most
people across Britain
and Ireland lived in
Celtic tribes. To protect
themselves, they built
forts on the tops of hills.
Some hill forts were
almost like small towns.
They were...

The author describes the various ancient forts found in Britain, from the famous Maiden Castle in England to the Brochs of Scotland. In between he takes us on a tour of Danesbury in Hampshire, and he describes the less well known Tre'r Ceiri in North Wales. Various other forts, some famous others obscure,
