This centenary edition of the world-famous Concise Oxford English Dictionary presents the most accurate picture of English today.

Offers definitions for English words and phrases, along with observations about the evolution of the dictionary since its first edition and tables that contain information for such topics as countries and chemical elements.

Offers definitions of more than 240,000 words and phrases, including recently coined words in such fields as technology and fashion.

This new edition of Oxford's flagship single-volume dictionary brings you the results of the latest research into the real English of today. Oxford is lead partner in the British National Corpus, a massive and constantly expanding hundred-million-word database which allows dictionary editors to sample today's language - newspapers, magazines, books, advertisements, even transcripts of spoken English. With thousands of occurrences of each common word available for instant analysis, lexicographers are able to track the latest trends in, for instance, spelling and hyphenation or disputed usages, with greater accuracy than ever before. This rolling, constantly updated 'opinion poll of language' combined with Oxford's unparalleled world reading programme (we spend more on language research than any other dictionary publisher in the world), ensures that COD9 is the up-to-date reference for today's English.

"Tenth (addenda) edition reissued with new title and jacket 2002"--T.p. verso.

This is a new edition of the Concise Oxford Thesaurus, with updated and improved text, new choices of synonyms, and a new design. The Concise Oxford Thesaurus is a comprehensive reference text for the bookshelf at home or in the office. Its usefulness means that it won't stay on the shelf, however. The thesaurus is the perfect tool to use to improve your writing style, whether you are composing a letter, essay or report, or writing creatively. It is also great for finding the word on the tip of your tongue, or for word games. The new centre section in this Concise Oxford Thesaurus contains lists of nouns from illnesses to insects, and vegetables to veins to give you the edge in solving crosswords and word puzzles, as well as being a useful encyclopedic reference. The Concise Oxford Thesaurus also contains Word Links to help you find related words. So, for example, look up the word 'night' and you will find 'nocturnal'; look up 'light', and you will find 'optics'. Hundreds more have been added new to this edition, helping you find the word you need every time. The thesaurus includes 12 months' access* to Oxford's premium online dictionary and thesaurus service, Oxford Dictionaries Online, updated regularly with the latest developments to words and meanings, so you will have the most accurate picture of English available. Find out more about our living language using Oxford Dictionaries Online. Hear how words are spoken with thousands of audio pronunciations, and access over 1.9 million real English example sentences to see how words are used in context. Improve your confidence in writing with helpful grammar and punctuation guides, full thesaurus information, style and usage help, and much more. *Available in selected markets (UK, Europe, Australia, Canada, and South Africa). Terms and conditions apply; please see www.oxforddictionaries.com/access for information.
