in authentic language and cultural contexts to achieve three key objectives: to build and reinforce oral and written communicative skills, to develop reading skills and cultural awareness, and to forge a strong linguistic base. New! Tête à tête communicative activities require one student to use communicative skills to elicit unknown details from another student in order to complete a task, with basic vocabulary and grammar structures recycled to reinforce previously learned material. New! Integrated video correlates to the Français Pratique section of each unit and to corresponding video activities provided in the Student Activities Manual. New! appropriate area codes; reflects the current political realities; and offers many entry points for further development of cultural awareness, grammar, and lexical points. A broad introduction to French and Francophone cultures provides authentic language and cultural contexts without an intense grammar curriculum—adapted for students who might take French as a minor, rather than a major. Accessible presentation enables students with basic conversational and grammar skills to achieve success through careful pacing, cyclical review and re-entry of structures and vocabulary, and engaging conversational material. Solid grammar review builds a framework by first covering basic structures and expressions, then adding more advanced concepts to

This book accompanied by a student workbook and teacher's guide, was written to help secondary school students to explore the history, culture, and dynamics of Michigan's indigenous peoples, the American Indians. Three chapters on the Ottawa, Potawatomi, and Ojibway (or Chippewa) peoples follow an introduction on the prehistoric roots of Michigan Indians. Each chapter reflects the integration of cultural and historical information about the

Indians. The chapter on the Potawatomi stresses the political activities and economic forces affecting the tribe in southwestern Michigan. It includes biographical information on 19th century Potawatomi leaders. The second chapter focuses on the subsistence patterns and indigenous environmental relations of the Ojibway, while touching on the spiritual connotations of their existence. It is a generic treatment of Ojibway life, customs, beliefs, and the subsequent federal policies affecting them. The chapter on the Ottawa provides an extended discussion of their contact with European powers and explores the Indians' responses and adaptations to changing environmental and sociopolitical circumstances. This book contains many historical photographs
