From the marketing guru and host of the popular Forbes.com podcast Hiding in the Bathroom, a breakthrough introverts' guide that broadens the conversation sparked by Quiet and moves away from the "Lean In" approach, offering wisdom and practical tips to help readers build strong relationships and achieve their own definition of professional success. Most ambitious people believe that reaching the peaks of success means being on 24/7–tirelessly networking, deal-making, and keynoting conferences. This is nonsense, says Morra Aarons-Mele. As an eminent entrepreneur with a flourishing business and a self-proclaimed introvert with lots of anxieties, Morra disagrees with the notion that there’s only one successful “type”: the intense, super social, sleep-deprived mover and shaker, the person who musters endless amounts of “grit.” Hiding in the Bathroom is her antidote for everyone who is fed up with feeling like they must always “lean in”—who prefer those moments of hiding in the bathroom to constantly climbing the ladder or working the room. The cozy comedy of Joe Pera meets the darkly playful illustrations of Joe Bennett in A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape, a funny, warm, and sincere guide to regaining calm and confidence when you’re hiding in the bathroom. “Nothing says ‘class’ to your dinner guests more than a Joe Pera book next to the can.” —Seth Meyers Joe Pera goes to the bathroom a lot. And his friend, Joe Bennett, does too. They both have small bladders but more often it’s just to get a moment of quiet, a break from work, or because it’s the only way they know how to politely end conversations. So they created a functional meditative guide to help people who suffer from social anxiety and deal with it in this very particular way. Although, it’s a comedic book, the goal is to help these readers: 1. Relax 2. Recharge 3. Rejoin the world outside of the bathroom It’s also fun: entertainment for people simply hiding in the bathroom to avoid doing work. A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape will be waiting in the bathroom like a beacon for anxious readers looking to feel calm, confident, and less alone. “A beautiful and funny book about something I have done all my life. Thank you, Mr. Joseph Pera.” —Aidy Bryant At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee’s family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able seek out and forgive her family’s killers. The triumphant story of this remarkable young woman’s journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss.

A collection of the author’s lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.
