speech and quotations. In academic writing, you need to use quotation marks when you quote a source. This includes quotes from published works and primary data such as interviews. The exception is when you use a block quote, which should be set off and indented without quotation marks.

## How to Use Quotation Marks (""") in Academic Writing

Start a block quotation on a new line and indent the whole block 0.5 in. from the left margin. Double-space the entire block quotation. Do not add extra space before or after it. If there are additional paragraphs within the quotation, indent the first line of each subsequent paragraph an additional 0.5 in.

This is the case whether you use a direct quote, a paraphrase, or even just a direct or indirect mention. You need to include a brief citation in the text at the place where you refer to the source, and a full citation in your bibliography or reference list. The style of referencing you are using will dictate which details you include in your citations, how you signpost brief citations (in the body of the text or in footnotes, directly or by assigning a number which links to full details in ...
