between men and women that fuel their lives over the course of six.

In the Fall by Jeffrey Lent - Goodreads
Spanning the postCivil War era to the edge of the Great Depression, In the Fall is a richly layered rendering of a rapidly evolving America from life on the farm, through the final years of Prohibition and bootlegging, to the advent of modern times. In sentences that roll with a grave, brooding beauty, Jeffrey Lent illumines the ineluctable connections that exist between black and white, North and South, past and present, as well as the violent collisions they give rise to.

In The Fall - Jeffrey Lent

In the Fall | Jeffrey Lent | First Edition

In many respects Jeffrey Lent ' s In the Fall is a remarkable historical novel. Lent is a skilled narrator: he is knowledgeable about his subject matter, his observations about human conduct are incisive, and his characters are intriguingly exceptionally complex. Lent ' s story spans three generations.

A Review of Jeffrey Lent ' s In the Fall: A Remarkable Novel ...

In the Fall. by Jeffrey Lent. 1. The novel begins with Foster Pelham watching his father bury several coffee cans in the woods, and then shifts back in time to Norman Pelham leaving for the Civil War. Why has Lent chosen to frame the narrative in this way?

Paperback: Historical - General book

In the Fall by Jeffrey Lent - Books-A-Million
In *The Fall*, like Jeffrey Lent's other books, is superbly written with so many deep characters intricately woven into a rich story that spans decades and distances. I love this book. It starts as a love story about a Civil War soldier and a runaway slave, but turns into a story about the family they raise in the country, and the turmoil that the era causes to the souls of the characters.
