Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

"Now You Can Unlock & Unleash Everything That Is Holding You Back And Keeping You From Moving Forward. Giving You "Clean Slate" To Obtain, Health, Wealth And Most Importantly... Peace of Mind! Let me introduce myself. My name is Dr. Mark Tong and I am a Spiritual Healer and Teacher that has developed a "Process" to identify the "Life Lessons" each individual is dealing with. Let's face it, we are all here learning and dealing with Spiritual lessons. The challenge with these lessons is having the awareness and knowing what these lessons are and what is needed to complete the lesson(s). As you know, by looking back at your own life, these "lessons" continue to repeat and seem to get harder and harder until we learn what we need to learn from them. You find them in your struggles with relationships, abundance, physical conditions and other various aspects of your life. BUT NOW YOU CAN DO SOMETHING... Seeing and understanding your own "Life Lessons" is difficult, and it can be challenging to identify and understand, let alone learn from them. HERE'S WHERE I COME IN... I have developed a special online audio and video program, where you will hear all about "Life Lessons" and how to identify, and more importantly, learn from the lessons so they will never repeat. AND IF THAT'S NOT ENOUGH... As part of the program you will receive an "Emotional Inventory Worksheet" along with the "Answer Key" that will lead you through your life events and associate each event with specific "Life Lessons" for that event. Not only is this a valuable resource for your Spiritual growth, but you will learn how to begin helping others with their own "Life Lessons" (priceless). This online program with help you identify: Your remaining "Life Lessons" (priceless). This online program with help you identify: Your remaining "Life Lessons" Who is involved How many times it's repeated The Spiritual concepts tied to the "lessons" Plus: You will receive the tools to begin to "walk through" those "lessons."

Book for teachers

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

Every experience of life holds potential for learning spiritual and moral lessons. This book looks at four areas of creative expression - stories, songs, poems, and plays - and discovers Life Lessons with spiritual and moral significance. As a Christian minister, retired university professor, lover of music, community theater actor and director, writer and editor, the author says he finds theological relevance in these four arts areas. Some contain strong, direct expressions of Christian faith, others are less direct, and still others have no obvious connection with God or things religious. Even so, he has learned from each story, song, poem, and play and offers a Life Lesson from each. Stories include The Shack and The Adventures of Huckleberry Finn. Songs include Eric Clapton's "Tears in Heaven" and "We Shall Overcome." Poems include works by William Cullen Bryant, John Milton, John Keats, and Rudyard Kipling. Theater offerings include Broadway musicals, Fiddler on the Roof and Cabaret, and straight plays, Inherit the Wind and Death of a Salesman.
