EXPERT'S TAKE ON THE BOOK:"Timeline of a Teenager is small, beautiful collection of fifty poems, all three liners, by Sutputra Radheye. Opening it with trepidation due to the word teenager in the title, my doubts or fears were laid to rest by the simplicity and beauty of his poems that resemble haikus but are more free flowing. I read the whole book at one sitting. I recommend it as an ideal one for today's world, short and to the point and am happy to endorse it as one can read it at one go and also return to it again and again with pleasure and gain. I am impressed by the care and love that has gone into his crafting of this book. Wishing him the very best in what is definitely going to be a noteworthy career in writing. I end by saying that while I could quote his poems I want to leave that pleasure of getting to know them first hand to the reader, as many of them give the shock of discovery that only good poetry can give and should be enjoyed without mediation therefore." Dr Koshy AV [Pushcart poetry prize nominee, 2012, Ambassador of the Word for The Cesar Egido Fundacion, Spain, The Abhinava Gupta Great Indian Critic Award Laureate winner of 2017, and author, editor, anthologist of many books like Scream and Other Urbane Legends.]"Radheye's musingsSerene and PoeticMature in thoughtsEach HaikuStringing soul withinWrenching the heart" Kunal Bhardwaj [Bestselling Author: 'Love was never mine.']"A teenager in love with love, that is what Radheya's collection of poems "teenagers timeline" is about. It is a collection of short poems, mostly based on love, few of the poems such as those around death also bring other themes. The poems are crisp and an interesting take on love."Gauri Dixit | Poetess/ Critic|Written by the world's youngest romance fiction novelist- Sutputra Radheye, "The timeline of a teenager" talks about love, passion and desires through short poems (like Haikus). This book praises the beauty of a woman, confesses the feeling of love to the world and tells the tale of one's desires and fantasies. It is a route with mixed emotions, just like our lives. The timeline of a teenager will take to the land of love and desires, where everything will not be perfect but for sure, be beautiful.

Every workplace has that one person you don't want to mess with. At James & Peterson Investigations, that would be Cameron Grant: sullen, grouchy, intimidating, oh yeah, and sexy as hell. He can make your soul wither with a single disapproving glare. And he never, ever socialises with his co-workers. This is why Maisie Wilkins, happy-go-lucky ray of sunshine, can't fathom why Cameron finally decided to show up at their annual office Christmas party. Every year he received an invite, and every year he failed to attend. But not this year. Curious as to why he's there, Maisie can't resist sitting next to Cameron. Before she knows it, she's had one too many drinks and is drunkenly hailing a cab back to his place. Office party flings are not something she normally does, but despite his intimidating character, Cameron has a charm she can't resist. Or maybe it was just those five gin and tonics blurring her judgement. Whatever the reason, Maisie now has to navigate the awkward, tension filled waters of sharing an office with someone she's slept with.

From the Man Booker Prize-nominated author of Sleeping on Jupiter and 'One of India's greatest living authors!' (O, The Oprah Magazine), a poignant and sweeping novel set in India during World War II and the present day about a son's quest to uncover the truth about his mother. In my childhood, I was known as the boy whose mother had run off with an Englishman. The man was in fact German, but in small town India in those days, all white foreigners were largely thought of as British. So begins the (gracefully wrought) (Kirkus Reviews) story of Myshkin and his mother, Gayatri, who rebels against tradition to follow her artist's instinct for freedom. Freedom of a different kind is in the air across India. The fight against British rule is reaching a critical turn. The Nazis have come to power in Germany. At this point of crisis, two strangers arrive in Gayatri's town, opening up to her the vision of other possible lives. What took Myshkin's mother from India and Dutch-held Bali in the 1930s, ripping a knife through his comfortingly familiar universe? Excavating the roots of the world in which he was abandoned, Myshkin comes to understand the connections between the anguish at home and a war-torn universe overtaken by patriotism. Evocative and moving, [this mesmerizing exploration of the darker consequences of freedom, love, and loyalty is an astonishing display of Roy's literary prowess! (Publishers Weekly).
