This is Jeanette Michelle ' s 3rd published novel (2nd fiction novel). The story is centered on an Attorney out of Chicago where a paralegal, Lisa decides to go searching for the perfect case for her colleague Ethel to take in order to obtain fame and recognition. Lisa stumbles across what she calls the perfect case, which is in a town her colleague, Ethel despises. Trusting Lisa ' s judgment, Ethel accepts although she is unaware of the specific details of the case. This suspense novel not only depicts the life of an attorney in the court room, but her personal life and calamities that evolves her.

Tapestry is a soap opera style drama based on realistic characters with a splash of fiction. Tapestry details the lives of several people of various age groups as well as ethnicity, culture, religious beliefs and sexual preferences that meet by chance and becomes a part of a social gathering. Members of this meet up group have secrets that they try not to reveal that are self evident to each member. Each character has a story to share and explanations for their lifestyle and problems. A turn of events is suddenly centered on one particular member, which changes certain member ' s lifestyle. Tapestry also renders the importance of family, extended family and close friends. The message I ' m trying to convey from " Tapestry " is that we may all be different (personalities, ethnicity, culture, religious and political beliefs and or sexual preferences), but there shouldn ' t be a reason why we can ' t get along. This world is a melting pot. America is a melting pot and what make us unique are our differences. We may not agree all the time, but we still should agree to disagree and move on. Stop dwelling on the personal lives of people and accept that person for who he or she are. Everyone can ' t live your life, but that doesn ' t mean that I can ' t like that person or be friends with that person. Most often we isolate people or distant ourselves from people all because they ' re not what you want them to be. We also need to understand that everyone is not meant to be the best of friends, but that doesn ' t mean that I shouldn ' t respect that person. This is a new dawn and a new world – a world of advanced technology. We can conquer countries, but we can ' t live together in this world peacefully. We should be more than that. This is what this book Tapestry reveals.

Taking care of Henry is a written documentary that describes in detail the struggle a wife sustain in being a caregiver of her husband. Henry, the husband had a stroke 14 years ago and now struggling with Alzheimers. The chronicles takes place in a description form from the author and her family members of how Henry is overtaken by a stroke and later diagnosed with Alzheimers. Taking care of Henry is a documentary that gives full details of the emotions from each family member and the hardships of being a caregiver of a disabled person. It is a factual story with factual events that many families have experienced in dealing with an ailing family member.

The Saga continues and unfolds in this sequel to Mycall and Millicent Quinones. Mycall's story continues as she faces turmoil once again at deaths door. Family and friends come together to help her endure, when all seems to be at a lost. This story takes you back to Mycall's past and returns to Mycall's present circumstances. Mycall does not ever seem to be relieved from any mayhem. Being an indecisive female position her in more trouble than she ever anticipated. Mycall Book II is full of suspense and surprises that never seem to end.
