~~Essentials of Organizational Behavior, Global Edition ...~~

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises □ - Selection from Organizational Behavior, 12th Edition [Book]

Organizational Behavior is a multidimensional product to allow for student development in knowledge, analysis, synthesis and personal development with pedagogical features designed to bring Organizational Behavior to life. This product reframes the content of organizational behavior to reflect the inherent interdependence of factors that explain human behavior. Traditional OB topics are introduced as part of an integrated framework for answering practically-relevant questions about why people behave as they do and how to effectively self manage and influence others.

A comprehensive textbook, completely refreshed to engage students through real life case studies and develop their critical thinking. A new title to reflect the focus on organisational behaviour and written specifically for undergraduate first year students.

Organisational Behavior by Fred Luthans was one of the first mainstream organisational behavior texts on the market and continues the tradition of being the most current and up-to-date researched text today. Well-known author Fred Luthans is the 5th most prolific Publisher in Academy of Management Journals and a senior research scientist with the Gallup Organization, who continues to do research in the organisational behavior area. The Twelfth

Edition of Organisational Behavior is ideal for instructors who take a research-based and conceptual approach to their OB course.

This long established market leader has set standards that few texts have equalled in terms of accessibility of writing style, clarity of presentation and popularity with students and teachers alike. Written from a managerial perspective and packed with contemporary references to management research and practice, it continues to prove the student's OB text of choice. This eighth edition brings fresh evidence to explore theory in practice, and a wide range of brand new and intriguing examples and case studies on issues and organisations that are engaging, relevant and contemporary. It also provides an abundance of online student self-assessment resources. The breadth of appeal of this text makes it ideal for Management and Organisation courses from HND level through undergraduate and up to MBA.

For undergraduate and graduate courses in organizational behavior. Help students apply OB concepts The world's most successful Organizational Behavior textbook provides the research you want, in the language your students understand. This text makes current, relevant research come alive for readers. The 18th Edition reflects the most recent research and business events within the field of organizational behavior, while maintaining its hallmark features -- a clear writing style, cutting-edge content, and intuitive pedagogy. There's a reason why Robbins's textbooks have educated millions of students and have been translated into 20 languages -- and it's because of a commitment to provide engaging, cutting-edge material that helps students understand and connect with organizational behaviour.
