Healing the Hospital Environment identifies why many healthcare premises do not look or feel welcoming and why even well-intentioned efforts to make improvements are unsuccessful. The authors show that significant improvements can be made within limited resources if hospitals recognise what can be achieved, set standards and invest in the relevant design expertise. It gives a wide range of examples of effective improvement in design, maintenance and management of all types of hospital and healthcare premises and their surrounding land.

The debut collection of a poet whose savage, hilarious work has already received extraordinary notice. Since his poems first began to appear in the pages of The New Yorker and Poetry, there has been a lot of excited talk about the fresh and inventive work of Michael Robbins. Equal parts hip-hop, John Berryman, and capitalism seeking death and not finding it, Robbins's poems are strange, wonderful, wild, and completely unlike anything else being written today. As allusive as the Cantos, as aggressive as a circular saw, this debut collection will offend none but the virtuous, and is certain to receive an enormous amount of attention.

A powerful new collection from an award-winning poet Robert Wrigley has become one of his generation's most accomplished poets, renowned for his irony, power, and lucid style and for his ability to fuse narrative and lyrical impulses. Like its namesake—Robert Burton's seventeenth-century examination of human thoughts and emotions—Wrigley's new collection means to examine our world through the lens of melancholia. From imagined war memorials to insomniac chickens; from Descartes' lost daughter to a dreaming tree; from King Kong to Rush Limbaugh; and from Anna Karenina to a man named Lucy

Online Library Selected Poems Penguin Clics

Doolin (short for Lucifer), these are poems that elegize and celebrate that most beautiful, exasperating, joyous, miserable, and perfectly imperfect of all creatures—the human being.

The present book 'Stories from Tagore' is a collection of celebrated classic Indian writer, poet, philosopher Rabindranath Tagore, translated in English to introduce children to best of the Indian literature. this volume was first produced and published in the year 1918.

Join Patty Penguin on her first day out in the world and her first experience at making friends with other little penguins. Patty Penguin is a gentle-hearted, curious baby penguin, who is just starting to explore the world around her. Patty Penguin Welcome to the World is the first release of a planned series of Patty Penguin books.

"The Red and the Black" is a reflective novel about the rise of poor, intellectually gifted people to High Society. Set in 19th century France it portrays the era after the exile of Napoleon to St. Helena. The influential, sharp epigrams in striking prose, leave reader almost as intrigued by the author's talent as the surprising twists that occur in the arduous love life.

Provides all the tools necessary to read and understand Plato's Phaedrus in the original Greek.

On a brilliant day in May, in the year 1868, a gentleman was reclining at his ease on the great circular divan which at that period occupied the centre of the Salon Carré, in the Museum of the Louvre. This commodious ottoman has since been removed, to the extreme regret of all weak-kneed lovers of the fine arts, but the gentleman in question had taken serene possession of its softest spot, and, with his head thrown back and his legs outstretched, was staring at Murillo's beautiful moon-borne Madonna in profound enjoyment of his posture. He had removed his hat, and flung down beside him a little red guide-book and an opera-glass. The day was warm; he was heated with walking, and he repeatedly passed his handkerchief over his forehead, with a somewhat wearied gesture. And yet he was evidently not a man to whom fatigue was familiar; long, lean, and muscular, he suggested the sort of vigor that is commonly known as "toughness." But his exertions on this particular day had been of an unwonted sort, and he had performed great physical feats which left him less jaded than his tranquil stroll through the Louvre. He had looked out all the pictures to which an asterisk was affixed in those formidable pages of fine print in his Badeker; his attention had been strained and his eyes dazzled, and he had sat down with an aesthetic headache.
