How much could you take?Society continues to unravel. Supplies are low, and the survivors are more desperate than ever.Max is on his own, without food or water. A day's journey has turned into four days and four nights. If he can't find the gas they desperately need, what will happen to his friends back at camp?Georgia and Mandy wait for Max to return. Without food, they struggle daily. At any moment, the enemy could appear. Weakened by her injury, will Georgia be able to lead the defense of the camp? Will the others have enough strength to follow?John and Cynthia are trying to track down Max. With Dale's help, they've made it to the compound. But when they mention Max's name, tensions quickly rise. Will they be able to get out of what they've gotten themselves into?Surviving Chaos is book 4 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

Getting home has never been so treacherous When an EMP takes down the power grid and everything that runs on a computer chip, Melissa has no choice but to walk from her office in downtown Salt Lake City to her home in a suburb fifteen miles south. With a few co-workers to keep her company, she isn't too worried-until they begin their journey and discover how quickly society can fall apart. Alex, Melissa's husband, works thirty blocks south of Melissa's office. When everything stops working he has to decide whether to head north and find Melissa or go in the opposite direction to see if their teenaged children made it home. Only trouble is, he's by himself and danger is everywhere.

"When society falls, how hard will you fight? They expected the solar flare, not the EMP. Now the lights are off and chaos is brewing. It's only a matter of time before violence erupts. Jim owns a small electronics repair store in Rochester, NY. He quickly realizes the reality of the situation. He grabs his emergency kit, planning to get across town to his wife. But finding her among the chaos proves almost impossible. And if he does get to her, where will they find shelter? Rob's been Jim's friend since grade school. He's the kind of guy who's always between jobs but has a big heart. When the lights go out, he doesn't know whether to believe Jim or not. After all, he's got a job interview that he needs to get to. What will it take to convince him this is serious? Jessica's an independent young woman. In the short term, she knows she can take care of herself. But as the chaos grows, will she be able to learn to work with others in order to survive?"--Page [4] of cover.

"When society begins to unravel, there's no putting it back together.Jim and the others have made it to the lake house. They have some supplies, and they're still alive. But that doesn't mean they're safe.Rationing the food is necessary, and the meager portions are beginning to take their toll. Imagining hunger and fatigue is one thing, but living it is another. Can they survive like this long term?What happens now that the hoards are fleeing the cities, looking for shelter? The lake appealed to Jim, and that means it will appeal to others. How many will invade, and how hard will they fight?Jim knows they need to strengthen their defenses, to deal with the coming onslaught, but they're getting weaker and more desperate by the day as it is. What will it take to save them? "--page 4 of cover.

The virus isn't stopping. Neither are the survivors.Matt, Jamie, and Judy have made it through the first days of the virus. But that doesn't mean anything when it comes to long term survival. Society has collapsed, and there's no indication that it's coming back online anytime soon. In the meantime, elements of violence and chaos rise up, threatening everyone.Jamie's cousin has property up north, near Santa Fe. If they can get there, they might be safer. The only problem? There's only road there, wath nothing but the high desert stretching out on either side. They're going to be out in the open, exposed, slowly moving targets that anyone for miles could spot. Do Matt, Jamie, and Judy have what it takes to brave the open road and to fight off those they encounter? Escape the City is book 2 of Last Pandemic, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

In a heartbeat, everything grinds to a halt...On Christmas Eve, the lights go out. Vehicles stop working. Communications break down.Reclusive former soldier Liam Coleman doesn't want to be anywhere near bustling downtown Chicago the day before Christmas. But his twin brother and his pregnant sister-in-law need him, so he makes the trip.But mere minutes after leaving O'Hare, their car crashes, along with hundreds of other vehicles. When Liam's phone stops working, he begins to suspect something more sinister than a local power outage. But before he can react, the first plane falls from the sky... When a super EMP takes down the nation's power grid, Liam knows it's time to bug out. He's prepared, but he never expected to be caught in the middle of Chicago as chaos erupts. With society collapsing before his very eyes, Liam will have to risk more than he ever thought possible to protect the ones he loves--if it's not already too late. Chaos Rising is the riveting post-apocalyptic EMP survival thriller prequel novella set in the Edge of Collapse universe, a brand new series from bestselling author, Kyla Stone. Includes a six-chapter sneak peek of Edge of Collapse, book #1 in the explosive new post-apocalyptic series.

Who could you trust if society fell?Winter is in full force. Freezing temperatures and heavy snow present new threats. But there's more to surviving than just weathering the elements.Out alone, James spots a man he recognizes from the compound. Does it mean they're being hunted down? Or is it mere coincidence? Max knows his group is a target. There are people who want them dead merely for revenge. Others want their radios, their guns, and their supplies. He thought they were hidden, but he should have known better.John and Cynthia were hoping that Max's group would give them the security they've been craving. Now, with certain danger approaching, do they make a final stand with their new group? Or do they strike out on their own through the treacherous conditions?Fighting Rough is book 5 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

If the power grid fails, how far will you go to survive? Madison spends her days tending plants as an agriculture student at the University of California, Davis. She plans to graduate and put those skills to work only a few hours from home in the Central Valley. The sun has always been her friend, until now. When catastrophe strikes, how prepared will you be? Tracy starts her morning like any other, kissing her husband Walter goodbye before heading off to work at the local public library. She never expects it to end fleeing for her life in a Suburban full of food and water. Tackling life's daily struggles is one thing, preparing to survive when it all crashes down is another. The end of the world brings out the best and worst in all of us. With no communication and no word from the government, the Sloanes find themselves grappling with the end of the modern world all on their own. Will Madison and her friends have what it takes to make it back to Sacramento and her family? Can Tracy fend off looters and thieves and help her friends and neighbors survive? The EMP is only the beginning. Darkness Begins is book one in After the EMP, a post-apocalyptic thriller series following the Sloane family and their friends as they attempt to survive after a geomagnetic storm destroys the nation's power grid.

In the dead of winter, a super EMP destroys the nation's power grid. No electricity. No cars or phones. Worst of all: No heat. The country is plunged into instant chaos. But for twenty-six-year-old Hannah Sheridan, it's the best day of her life. For the last five years, she's been held captive by a sadistic psychopath--until the EMP releases the lock of her prison.Hannah emerges from her underground cell into a hostile winter landscape with no way to call for help, no vehicle that will drive, armed with nothing but the clothes on her back and her own determination to survive.Liam Coleman, cynical loner and former soldier, is headed nowhere fast. He believed he was prepared for any disaster--until the EMP took everything he'd ever cared about in a matter of seconds. When he runs across a desperate woman who will die without his help, he's forced to make a choice.Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the lack of power, desperate people, and the treacherous elements aren't the only threats.Hannah's captor isn't about to let her go. He will hunt her to the ends of the earth and beyond, destroying anything and anyone who gets in his way. For she has something he wants--she's nine months pregnant with his child.Edge of Collapse is a gripping post-apocalyptic EMP thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven.

A flash of light crippled society in an instant... For young Lexi Broadmoor and her brother Travis, the detonation not only took their father away, but their future as well. Now stranded on a highway far from home without any survival skills or someone to protect them, staying alive will depend on their wits, a single bug-out bag, and a map to a stranger's house. With the grid down and a nation quickly descending into chaos, they'll need to hurry, because the lawless are taking over. But a larger threat looms. A mysterious foe has set in motion a countdown to Armageddon; unknown to Lexi and Travis, they're part of the plan.
