Teaching Drama to large groups places a number of demands on the teacher. When teaching drama we can expect:
•a fairly high level of conversational noise
•different groupings, with students standing, moving, sitting, and using space to express themselves
•different groups working at different paces towards different goals
In the workshop we addressed the fact that learners may not be confident about their English, or may think that drama is just fun and games.

How to teach English language students with drama - for professional English language teachers. This new book covers the exciting sector of teaching English language students using drama, plays and with theatre techniques. The book covers a wide range of subjects for teachers including how to plan class work, choosing appropriate texts, working with students with theatrical techniques, modifying dialogue and lines for different levels of student, stage management, and how these all work together to improve language appreciation and learning; using classic plays, suggested characters; resources beyond the textbook; using stories, songs, games, etc.

English through Drama presents a clear introduction to using drama activities with all ages, stressing its importance for the education of the whole learner. It supports teachers with challenging students in their classes to teach English in more stimulating and effective ways.

Teaching English by the Book is about putting great books, wonderful poems and rich texts at the heart of English teaching, transforming children’s attitudes to reading and writing and having a positive impact on learning. It offers a practical approach to teaching a text-based curriculum, full of strategies and ideas that are immediately useable in the classroom. Written by James Clements, teacher, researcher, writer, and creator of shakespeareandmore.com, Teaching English by the Book provides effective ideas for enthusing children about literature, poetry and picturebooks. It offers techniques and activities to teach grammar, punctuation and spelling, provides support and guidance on planning lessons and units for meaningful learning, and shows how to bring texts to life through drama and the use of multimedia and film texts. Teaching English by the Book is for all teachers who aspire to use great books to introduce children to ideas beyond their own experience, encounter concepts that have never occurred to them before, to hear and read beautiful language, and experience what it’s like to lose themselves in a story, developing a genuine love of English that will stay with them forever.

Everything you need to get dramatic in the classroom This easy-to-use, comprehensive teacher-resource book has lesson plans and practical activities that integrate theater into language learning. Plus ten original scripts so you can put the activities into action immediately! Drama and play scripts can be used to teach pronunciation, pragmatics, and other communication skills, as well as provide grammar and vocabulary practice! Conveniently organized into two parts, Part 1 includes pragmatics mini-lessons, community builders, drama games, and pronunciation activities. There are also lesson plans for producing a play (either fully-staged or as Reader’s Theater), as well as guidelines and activities for writing plays to use with (or without students,) and suggestions for integrating academic content. You’ll even find rubrics and evaluation schemes for giving notes and feedback. Part 2 includes 10 original monologues and scripts of varying lengths that can be photocopied and used in the classroom. Specifically designed to feature everyday language and high frequency social interactions, these scenes and sketches follow engaging plot arcs in which characters face obstacles and strive to achieve objectives. With a foreword by Ken Wilson, this book is a must-have for anyone interested in using the performing arts to help students become more confident and fluent speakers.

This engaging and complete resource has everything you need to bring drama and theatre techniques into the ESL, EFL, or World Language Classroom. Are your students reluctant to speak out in class? Do they lack confidence in their language skills? The dynamic drama games in this book are the perfect catalyst to transform your students into engaged learners, and help them build confidence and language skills. The interactive theatre games and techniques are specifically designed for use in Second, Foreign, and World Language classrooms to empower students through meaningful, agentive language learning. With over 80 activities and games, and hundreds of extensions that can be catered to every level, this book provides teachers with clear, step-by-step instructions to teaching dramatic activities with L2 learners of all levels and backgrounds. The games and strategies in this book will enliven classrooms with communication that is creative, memorable, inspiring, and fun. Grounded in cutting-edge research, this book explains why teaching language through drama is effective and inspiring for teachers and students alike, directing readers to a wide array of resources and approaches to teaching language through theatre. You’ll also find guidance on leading drama games with language learners in a variety of online platforms, lesson planning models, and an example lesson plan for easy implementation in physical or virtual classroom spaces.

The English Teacher’s Drama Handbook is a rich, thought-provoking introduction to teaching drama within the English classroom. Divided into two sections, the first part of the book explores deological influences that have shaped drama’s relationship with English over the past 250 years and aims to help you locate your own practice within a theoretical and historical context. Starting with Rousseau’s seminal text Emile, it considers the theories of key thinkers and practitioners and a range of complex issues including the construction of ‘childhood’, children’s play, the teacher and student relationship, the implications of linking drama and English and the impact of national curricula on drama and English teaching. The second half of the book offers a collection of comprehensive, practical schemes of work to inspire and support you and your students to realise the power of drama in bringing English language and literature vividly to life. Suitable for a range of ages and abilities, each activity makes explicit links to the key thinkers and issues explored in the first part of the book and explores a particular aspect of work in English - from grammar and spelling to poetry and play texts. Together with guidance on how to begin and progress the activities, each sequence includes ideas for exploring issues further in the English classroom. Written for English teachers at any stage of their career, The English Teacher’s Drama Handbook offers new ways of looking at drama and English that will ensure meaningful and enjoyable teaching and learning.

“The text is extraordinarily succinct, very well organised and highly readable. Each chapter examines in depth specific aspects of teaching and learning in drama and well-chosen practical examples can readily be adopted by teachers. A ‘must’ for all primary schools.” Drama (the Journal of National Drama) Review of ‘Drama in Primary English teaching’ Teaching Primary English through Drama builds on the success of the classic text Drama in Primary English, inspiring ideas and techniques for teaching English skills through the medium of drama. Focusing on the power of drama to promote effective learning in primary education, Suzi Clipson-Boyles demonstrates how reading, writing, speaking and listening skills may be developed in ways that will motivate and engage pupils. She uses specific examples from the English curriculum, and also makes links to other areas of the curriculum. In addition, the book explains how assessment during drama can help teachers to evaluate pupils’ progress in English. Further guidance is given on how drama can enrich studying for pupils who are learning English as a foreign language. The book also provides a chapter on developing drama as an art form in its own right, with simple ideas and practical suggestions on how to enhance performances. Teaching Primary English through Drama presents a wide range of drama approaches from ten-minute starter activities to stimulate ideas such as fun ways to practise reading, through to longer projects that can provide contexts for extended writing or help with presentation and performance. The chapters show how drama can help to bring lessons alive in imaginative ways that not only promote enjoyment but also enhance achievement. This comprehensive and practical guide offers essential reading for primary teachers and other practitioners, and is a valuable resource to trainees. It also provides an excellent foundation for those who wish to extend their expertise further towards drama as a subject specialism.

A CHOICE Outstanding Academic Title 2014! How can teachers transform classroom teaching and learning by making pedagogy more socially and culturally responsive, more relevant to students’ lives, and more collaborative? How can they engage disaffected students in learning and at the same time promote deep understanding though high-quality teaching that goes beyond test preparation? This text for prospective and practicing teachers introduces engaging, innovative pedagogy for putting active and dramatic approaches to learning and teaching into action. Written in an accessible, conversational, and refreshingly honest style by a teacher and professor with over 30 years’ experience, it features real examples of preschool, elementary, middle, and high school teachers working in actual classrooms in diverse settings. Their tales explore not only how, but also why, they have changed the way they teach. Photographs and stories of their classroom practice, along with summarizing charts of principles and strategies, both illuminate the critical, cross-curricular, and inquiry-based conceptual framework Edmiston develops and provide rich examples and straightforward guidelines that can support readers as they experiment with using active and dramatic approaches to dialogue, inquiry, building community, planning for exploration, and authentic assessment in their own classrooms.

This book offers both a scholarly and practical overview of an integrated language and literature approach in the 16-19 English classroom. Providing a comprehensive overview of the identity of the subject, it outlines the pedagogical benefits of studying a unified English at post-16 and provides case studies of innovative classroom practice across a range of topics and text types. Including contributions from practising teachers and higher education practitioners with extensive experience of the post-16 classroom and drawing on a range of literature, this book covers the teaching of topics such as: Mind style in contemporary fiction Comparative poetry analysis Insights from linguistic cohesion Criticality through creative response Written to complement the two other Teaching English 16–19 titles in the NATE series, Teaching English Language and Literature 16–19 is the ideal companion for all practising A-level English teachers, of all levels of experience.
