The Inevitable City: The Resurgence of New Orleans and the Future of Urban America, by Scott Cowen with Betsy Seifter, is a book of hope. New Orleans had problems, big ones, before Katrina hit in 2005. The author, the president of Tulane University, became more aware of the problems of New Orleans as they were worsened by Katrina and the aftermath.

The inevitable city : the resurgence of New Orleans and the future of urban America. "After seven years of service as the president of Tulane University, Scott Cowen watched the devastation of his beloved New Orleans at the hands of Hurricane Katrina. When federal, state, and city officials couldn't find their way to decisive action, Cowen, known for his gutsy leadership, quickly partnered with a coalition of civic, business, and nonprofit leaders looking to work around the old institutions ...

The inevitable city : the resurgence of New Orleans and ...

The Inevitable City serves both to inspire and instruct all of us who know that while great storms are always possible, revitalization and rebirth are more often the result when men and women of courage and determination face the storm together., "On its surface The Inevitable City is a book about leadership by a man who led his community through a crisis.

The inevitable city : the resurgence of New Orleans and ...

As a tale of urban renewal, The Inevitable City responds to an increasing awareness worldwide of the need for urban resilience in the face of natural disaster. The experiences of Christchurch, New Zealand, and of the Sendai region, Japan, illustrate the catastrophic effects of natural disasters on urban areas, and with climate change set to increase the threat of natural disaster on cities globally, a study such as this on effective and practical responses to these challenges has ...
