They're gone. I'm still trying to process that fact, but I can't. Although I have nowhere near enough life or leadership experience, I have to serve my purpose and lead the Angels' army to war. But for every step we take, Lucas trumps it as he orchestrates the beginnings of World War III. Single-handedly, he turns the humans against the Amadis, and when Tristan and I top every country's list of Most Wanted Terrorists, we're forced to go underground to fight this war. With the help of my people and a group of unexpected allies, I have to figure out a way to stop the Daemoni from taking over humanity. Some claim Lucas to be the Antichrist. I won't give him that credit, but he's sure trying his best to prove me wrong. If it's true, then we've all become part of an age-old prophecy of divine providence. But the Amadis will do everything we can to stop Lucas and change the world's destiny, even if it means we die trying.

All I've ever wanted was a normal life, but two days before I'm supposed to leave for college, Mom wakes me up at the butt-crack of dawn so we can hit the road early. She acts like we can't escape this city fast enough, but won't explain. I know we have family secrets. She's been guarding them from me all my life, supposedly with good reason. But after a bizarre attack by creatures that can't possibly be real, I think it's time for me to know the truth, with or without her help. I've barely started my covert investigation, though, when I meet Tristan Knight. He's gorgeous, smart, and talented, and he seems to enjoy hanging out with me. I suddenly forget all about our enigmatic family and retreat behind my façade of normalcy. At least, until one fateful night when I discover he's not normal either. The secrets begin to unravel. Supposedly, we're fated mates, and our union brings hope to my family's secret society, a/k/a the Angels' army on earth. Our love could save the world. Or end it. Because the Angels aren't the only ones who want us on their side. The Demons will stop at nothing to claim the ultimate power couple. After all, we're a match made in Heaven—and in Hell.

The bestselling and highly acclaimed Soul Savers series continues with Book 3, Dangerous Devotion. Holy hell. If you'd told me a month ago how much my life was about to change, I would have laughed maniacally. But here I am with extraordinary powers and my view of the world turned on its head. I have so much to learn about my new life and the people in it—vampires, mages, shifters, and more. One thing I'm learning quickly: Nothing is what it seems on the surface. This includes the Amadis matriarch's council members, who are hardly different from their human counterparts—shady, power-hungry, greedy politicians. My grandmother asks me to use my new gifts to identify the traitor who lurks among her council. Not an easy task when I realize everybody is hiding secrets. Including information about a girl who might be my daughter? You've got to be kidding me! When the Daemoni attack the island, Tristan and I are forced to run to protect our people. After all, it's us they want. So we set out to find this girl who might offer hope for the future. But the search for answers leads only to the revelation of more betrayals by those closest to me, including my own mother and grandmother. Their loyalty to the council angers me, but my own devotion is put to the test—devotion to my husband, to my family, and to my beliefs—leaving me to question whom I'm fighting for and why I should even bother. But if I won't fight

. . . who will? ★ ★ ★ ★ ★ This is the third book in the paranormal fantasy series where you'll meet vampires, werewolves, witches, warlocks, and a new type of angel hybrid. The further you get into the series, the more creatures you'll discover, including shifters, fae, sorcerers, demons, and more. The series in suggested reading order: #1 - A Demon's Promise #2 - An Angel's Purpose Novella - Genesis #3 - Dangerous Devotion #4 - Dark Power #5 - Sacred Wrath #6 - Unholy Torment #7 - Fractured Faith NOTE: This is a paranormal series that crosses from New Adult to Adult. It contains mature content meant for 16 years and older. This series is not a YA.

Wahhabism has been generating controversy since it first emerged in Arabia in the 18th century. In the wake of September 11th instant theories have emerged that try to root Osama Bin Laden's attacks on Wahhabism. Muslim critics have dismissed this conservative interpretation of Islam that is the official creed of Saudi Arabia as an unorthodox innovation that manipulated a suggestible people to gain political influence. David Commins' book questions this assumption. He examines the debate on the nature of Wahhabism, and offers original findings on its ascendance in Saudi Arabia and spread throughout other parts of the Muslim world such as Afghanistan and Pakistan. He also assesses the challenge that radical militants within Saudi Arabia pose to the region, and draws conclusions which will concern all those who follow events in the Kingdom. "The Wahhabi Mission and Saudi Arabia" is an essential reading for anyone interested in the Middle East and Islamic radicalism today.

The world is on the brink of war, the enemy have increased their attacks on humans, and my team and I have been assigned the mission of building the Angels' army on Earth. However, the unthinkable happens, and my biggest fear comes true. Nothing will stop me from recovering what is mine. Except everything and everyone tries. Suspicious humans have set traps to ensnare the supernatural. The world powers have closed their borders as they prepare for war. The Demons' army grows exponentially by taking innocent souls—souls that we're supposed to protect. And a power-hungry sorceress schemes to rule us all, with revenge on my grandmother topping her priority list. I'm forced to choose between those I love dearly and the souls of all of humanity, but when there's no right answer, I'm destined to lose. The question is—who will it be?

Tasked with capturing demoness Luciana Rossetti, angel Brendan Clarkson, who hunts down the most dangerous criminals on earth, meets his match in this beautiful killer who could either be his salvation or his downfall. Original. 46,000 first printing.

Flexible, easy to use, just enough detail?and now the number-one best seller. With just enough detail ? and color-coded links that send students to more detail if they need it ? this is the rhetoric that tells students what they need to know and resists the temptation to tell them everything there is to know. Designed for easy reference ? with menus, directories, and a combined glossary/index. The Third Edition has new chapters on academic writing, choosing genres, writing online, and choosing media, as well as new attention to multimodal writing. The Norton Field Guide to Writing is available with a handbook, an anthology, or both ? and all versions are now available as low-cost ebooks.

When Alexis Ames is attacked by creatures that can't be real, she decides it's time she learns who she really is, with or without the help of her mother, who guards their family's secrets closely. After meeting the inhumanly attractive, multi-talented Tristan Knight, however, Alexis retreats behind her facade of normalcy .. until she discovers he's not exactly normal either. Then their secrets begin to unravel. Their union brings hope and promise to her family's secret society, the Angels' army, and to the future of mankind. But it also incites a dangerous pursuit by the enemy - Satan's minions and Tristan's creators. After all, Alexis and Tristan are a match made in Heaven and in Hell.

Sci-fi action meets steamy paranormal romance in Gini Koch's Alien novels, as Katherine "Kitty" Katt faces off against aliens, conspiracies, and deadly secrets. • "Futuristic high-jinks and gripping adventure." —RT Reviews For Alien Super-Being Exterminator Katherine "Kitty" Katt, anti-alien conspiracies, threats from outer space, and a couple of killer alligators are all in a day's work. It's been five months since Kitty joined Centaurion Division, working with the aliens from Alpha Centauri. She and Jeff Martini have grown closer and life looks rosy. But when an experimental spacecraft is unexpectedly returned to the Kennedy Space Center, Kitty and the rest of Alpha Team are called on to investigate and are immediately embroiled in life-or-death situations that scream "political conspiracy." The team must survive murderous attacks, deal with a mysterious space entity that has seized control of a group of astronauts, and evade a woman who'll do anything to eliminate the competition when she develops an obsessive crush on Kitty's old high school boyfriend. And that's all before the evil masterminds decide Kitty's extermination is vital... Alien Tango is the thrilling second installment of the Alien series.
