Trigger Point Therapy Workbook for

In The Trigger Point Therapy Workbook, nationally certified massage therapist Clair Davies simplifies Travell and Simons's extensive research into myofascial pain and makes it accessible to the layman. His innovative methods of self-applied trigger point massage will get rid of aching pain, numbness, tingling, burning, and other myofascial symptoms if trigger points are the cause.

What are they? - The Trigger Point Therapy Workbook

According to Doctors Janet Travell and David Simons in their widely acclaimed medical textbook, Myofascial Pain and Dysfunction: The Trigger Point Manual, myofascial trigger points are tiny contraction knots that develop in a muscle when it is injured or overworked. READ MORE.
