There's something in the earth deep below Elise Kavanagh's territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it's coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she

has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she's come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there's no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

The paper doll book is fun for collectors of all ages and also offers an historic view of how Michelle Obama became America's favorite fashion icon during the presidential campaign and inauguration. Every outfit in the book was actually worn by Mrs. Obama. Especially noteworthy is the inclusion of the news making J.Crew skirt and sweater worn on "The Tonight Show with Jay Leno" and the black and white print dress worn on "The View." Of course, the highly publicized fashions worn during the Inauguration ceremonies are given pride of place in the book's center spread. There is the Isabel Toledo lemongrass Swiss lace coat ensemble, the Narcisco Rodriguez outfit worn at the concert and of course, the ivory floral/crystal ball gown destined for the Smithsonian. The beautiful bridal gown worn for the Obama's 1992 wedding is also included in the beautifully illustrated book.
